

NORTHERN BRANCH – VOLUNTEER HOUR PRESENTATION

The Northern Branch recently presented a cheque for \$500 to the Prince George Hospice Society.

The Prince George Hospice Society provides the community with end of life care that centers on the needs of our guests and their friends and family. The Rotary Hospice House has 10 beds, which provide respite care, symptom management and end of life care to those that need it. The Hospice Society provides community programs to match the unique needs of those that have are living with a life ending illness, those that care for them, and programs for those that grieve the loss. We provide in home support for families that need companionship, help with understanding the health system and resources, or just a friendly visit. Support for family care givers, and many grief programs for adults and children. The Prince George Hospice relies on the charitable contributions of the community to maintain its operations and is forever grateful for the generosity of the community.
